

Guideline for Parents

- In the interest of the child's education maximum co-operation of parents is desired especially regarding regularity, cleanliness and discipline.
- Parents/ guardians are advised to comply strictly with the rules herein stated and pay the tuition fees and all other charges by the due date.
- A student who has any pending dues will not be allowed to appear in examinations.
- Any communication (request or complaint) made by a parent should be addressed to the Principal and not the Class Teacher. The name of class and section of the students must be clearly stated.
- No visitors (parents or others) are allowed to see the students or meet their teachers during school hours. All business will be transacted through the office.
- Parents are requested not to send for or call away their children during school hours without application except in case of an unforeseen emergency.
- Parents and guardians are required to sign all the reports and to see their child's school diary regularly.
- Parents must realise that the parent - teacher meetings are very important and they must attend them regularly in the interest of their child.
- We are open to constructive suggestion and feel happy when parents show interest with regular feedback.
